

Curriculum Vitae

Name: (Arabic)	حاتم عبدالخالق حاتم عبدالامام اللامي
English	Hatem Abdulkhaleq Hatem Abdulemam Al Lami

Academic Degree	lecturer
--------------------	----------

Specialty (Department)	Anatomy, Histology & Embryology
Mobile no./ office tel.	07801572503 07703268594
e-mail (Academic and Personal)	hahaall69@yahoo.com

Current Responsibilities	Head of the Department of Basic Science
-----------------------------	---

Research Interest (titles)	
	Immunohistochemical technique
	PCR technique
	Stem cell detection and counting in nasal polyps
	Stem cell marker (Nestin) detection in skin

Teaching Interest	
	Anatomy
	Histology
	Embryology

Current Collaboration and Partnerships	

Education (Degree, College, University, Year)	
	PhD in Histology, College of Medicine /Baghdad University in 2015;Baghdad, Iraq.
	M.Sc. in Histology, College of Medicine/ Al-Basrah University in 2005; Basrah, Iraq.
	M.B.Ch.B. College of Medicine /Al-Mustansiriya University in 2000; Baghdad, Iraq.

Date of joining IbnSina University of Medical and Pharmaceutical Sciences	18/8/2016
---	-----------

Research Summary (maximum 350 words)	Since 2006, I have worked on histological aspects of vertebral column, nasal polyps, inverted papilloma, and liver. All of my work was published as articles in recognized scientific journals inside and outside Iraq.
--------------------------------------	---

Publications	
	1. Histological changes of ligamenta flava in lumbar disc herniation and spinal stenosis.(2005)
	2. A comparative study of stem cells between the mucosa of inferior turbinate and nasal polyps by nestin marker using immunohistochemical technique.(2014).
	3. A Comparative Study of IL-10 Polymorphism between the Mucosa of Inferior Turbinate and Nasal Polyps by PCR Technique.(2015).
	4. Changes in the nasal mucosal stem cells and polymorphism in interleukin-10 promoter gene in patients with nasal polyps.(Ph.D thesis 2015).
	5. Histological features of the mucosa of nasal papilloma as compared with nasal septal mucosa in Iraqi population. .(2016).
	6. Reducing the effects of paracetamol-induced hepatic damage in rat with fluvastatin drug.(2016).

Biography (Ex: academic history, Awards)	
	1. August, 18; 2016 till now, was employed in the Ibn Sina University, Baghdad, Iraq as the head of basic sciences department.
	2. November, 15th; 2005 till August,17;2016: Lecturer for the medical students in the College of Medicine / Thi Qar University, Al-Nasiriyah, Iraq.
	3.October;2000 till March;2001: Rotator, in General Surgery Department in Al-Hussain Teaching Hospital, Al-Nasiriyah, Iraq.
	4.March; 2001 till June;2001: Rotator, in General Medicine Department in Al-Hussain Teaching Hospital, Al-Nasiriyah, Iraq.
	5.June;2001 till September; 2001: Rotator, in Obstetrics& Gynecology Department in pediatrics Hospital, Al-Nasiriyah, Iraq.
	6.September;2001 till June; 2002: Rotator, in pediatrics Department in pediatrics Hospital, Al-Nasiriyah, Iraq.
	7.June; 2002 till October; 2002: Rotator, in Emergency Department in Al-Hussain Teaching Hospital, Al-Nasiriyah, Iraq.

Activities	
	Member of the Iraqi Doctors Association.
	Speaker in symposium of stem cell application in Dentistry / Ibn Sina University
	Speaker in symposium of PCR technique / Ibn Sina University
	Acknowledgment from Thi-qar university in 18-5-2014
	Acknowledgment from MOHESR in 11-5-2014
	Acknowledgment from Thi-qar university in 20-11-2012
	Acknowledgment from Thi-qar university in 4-1-2016
